

**WEST VALLEY CITY**  
**REQUEST FOR BIDS**  
**INTELLIGENCE SOFTWARE**

**I. INTENT OF SOLICITATION**

West Valley City (the City), is soliciting competitive sealed bids from qualified vendors to provide Intelligence Software.

**II. AGREEMENT**

The selected bidder will enter into an agreement with the City, contingent on City Council approval.

**III. SUBMISSION OF BIDS**

Competitive sealed bids will be accepted in the City Recorder's Office located at 3600 Constitution Boulevard, Room 140, West Valley City, Utah 84119, **until 10:00 a.m. on Thursday, February 6, 2014**, at which time they will be publicly opened and read aloud. **BIDS RECEIVED AFTER 10:00 A.M. WILL BE PLACED IN THE FILE UNOPENED AND WILL NOT BE CONSIDERED.** The bid form must be signed by a representative of the company having the legal authority to bind the bidder contractually. Bidder's signature on the face of the bid form indicates bidder's agreement to be governed by West Valley City Ordinances and Administrative Rules and to comply with all terms and conditions set forth in this solicitation.

West Valley City reserves the right to reject any or all bids, to waive any formality or technicality in the City's sole discretion, or to accept any bid deemed to be in the best interests of the City. The City may select a bid for one piece of equipment, several pieces of equipment or all equipment from one vendor or several different vendors. The City reserves the right to, in its sole discretion, cancel this solicitation. The City reserves the right to, in its sole discretion, negotiate with bidders prior to final award.

Response to this Request for Bids is at the bidder's sole risk and expense. The City anticipates selecting one of the bidders, but there is no guarantee that any bid will be awarded.

All bids are subject to the Utah Government Records Access and Management Act.

#### **IV. CONTENT OF BID**

All bids submitted must meet the attached specifications for each requirement of the software. All specifications must be addressed or the bid will be considered not responsive. All bids submitted must include at least the following information: Hosting cost, amount per user, amount of users per license, installation costs, training costs, warranties, and total cost. A specification sheet must be completed for the software:

- The program must function with Spillman RMS.
- Must be an “off the shelf” program that doesn’t require a significant amount of programming customization and upkeep with 24 hour support.
- Company must have hosting capabilities.
- The program must be able to display/track automatic vehicle location.
- The program must be able to display/track Smartphones.
- Updates must be made available and installed when required at minimal or no cost.
- The program must function on a laptop computer over a modem or air card in a patrol vehicle.
- The program must have a version accessible with mobile computing devices.
- The program must show/display all types of police calls and plot them on a digital map with “drill down” capabilities.
- The program must be compatible with Pictometry or other imagery based products.
- The program must have analytical tools, heat maps, time lines, predictive applications, etc.
- The program must have an information sharing capability for pass down logs for intelligence related information to be shared between shifts.
- The program must be ESRI based.
- The program must be able to generate reports based on West Valley Criteria on a daily, weekly, monthly, and annual basis.
- The program must be able to generate alerts to mobile phones based on call types.
- The program must have a component that allows social media monitoring.
- The program must be able to have camera feeds.
- The program must be able to access other data sources to include:
  - Warrants
  - Sex Offenders
  - AP&P
- The program must be able to tie in other data bases to glean intelligence related information.
- The program must be capable of functioning with Spillman or Versaterm.

**V. APPROVED EQUALS**

In the event a bidder desires to propose an equal to a Specification, the bidder shall do so on a Specification Sheet. The bidder shall describe in detail how the proposed equal's specifications meet the City's needs.

**VI. ADDITIONAL INFORMATION**

For additional information concerning the products specified in this bid, interested parties may contact the City Representative, Sergeant Jason Johnson, at (801) 963-3571.

**VI. SAMPLES**

Bidders may be required to submit samples of any and all items bid, upon request from the City Representative.
